AERIAL VIEW OF NEW CONSTRUCTION IN ITS FINAL STAGES

New Trier Township High School

Winnetka, Illinois

June 7, 1957

A NEW TOWER REPLACES THE OLD

Three-Year Building Program

THIS WAS THE NEW TRIER WHICH THE CLASS OF 1957 ENTERED AS FRESHMEN, 1953.

... AND HERE IS THE NEW TRIER FROM WHICH THEY WILL GRADUATE, 1957.

Nears Successful Completion

When 3125 students entered New Trier last September, they found a new building in a state of partial completion. (The pictures on these pages were taken in September and October.) There were a few new corridors open, these relieving congestion immeasurably. There were also six classrooms, one lecture hall, a new lunch hall addition, and a modernized kitchen not exactly ready for use but, at least, usable. Later in the fall the remodeled girls' locker room and four new study halls were put in service.

During Christmas vacation the natural brick walls of the old lunch room were painted in light colors, surprising everybody. By the beginning of second-semester fourteen classrooms, three more study halls, and two new gyms were in service, in addition to the facilities mentioned above.

On November 20, 1956, the William C. Schweitzer Company took over the construction job because the John C. Griffiths Company was not able to fulfill its contract. No money or time was lost because the construction was covered by a performance bond and work continued without lapse.

As the buildings took shape, New Trier began to regain its former dignity with a new face. The exterior of the tower was completed before Christmas. The new tower is twice the size of the old one and is designed to be more useful. It will contain some laboratories, a reception lounge, administration and faculty offices, part of the new library, and conference rooms.

Eighteen hundred new lockers were installed in the new building. However, upperclassmen were re-required to share lockers, as no assignments to new lockers were made until second semester.

Transportation remained an ever-increasing problem. The large number of construction workers' cars cut down the already limited parking space allotted to students. Since no parking permits were issued this year, parking was on a "first-come-first-served" basis. The situation was somewhat improved by carpools, buses, and additional trains. However, the prospects of a completely satisfactory solution to the transportation problem continue to look dim.

When construction is completed, it is probable that no additions will be necessary for the next twenty-five years. The new New Trier will accommodate approximately four thousand students and will be one of the most up-to-date high schools in the country.

Led for the second year by Superintendent William H. Cornog, the New Trier faculty and administration continued to add to its impressive achievements. Dr. Cornog directed a number of administrative and curricular adjustments as he met problems of increased enrollment and a new building, and strengthened New Trier's academic standards.

There were several changes in the administration this year. Mr. Frederick Kahler, long Dean of Boys, was given the special duty of counseling boys in college choices. Dr. Richard Gadske was appointed Dean of Students, a position created this year to supervise discipline, scholarships, guidance, and testing. To coordinate the efforts of New Trier's numerous student groups, he formed the Welfare Committee. This group, composed of the heads of major student organizations and faculty sponsors and representatives, discussed methods of correcting problems at New Trier and conducted a series of adviser-room talks bearing upon those problems.

Upon the retirement of Dr. Russel Small, head of the Language Department, Mr. Philip McDowell became acting head. Mr. Frank Holland assumed the duties of Miss Catherine Murphy, who retired in February from the position of Art Department head, which she held for many years.

Mr. Henry Swain replaced Dr. Gadske as head of the Mathematics Department, when the latter assumed his new duties. In the most recent administration shifts, Miss Virginia Kral took over the duties of Mrs. Elizabeth Cavanaugh, who left in February for a leave of absence, and Mr. Loris Hoyt assumed the duties of freshman boys' adviser chairman during the absence of Mr. Robert Ream.

Over thirty teachers joined the New Trier staff this year. New to the English Department are Mr. Carlton Buerger, Mrs. Dorothy Childs, Mr. Louis Gatto, Miss Patricia LaVezorio, Mrs. Katherine Ma-

keig, Mr. David McKendall, Mrs. Dorothy Patton, Miss Margaret Romani, and Mrs. Evelyn Roter.

The new math teachers are Mr. Roy Etnyre, Mr. Ronald Gabel, Mr. John Jensen, Mr. Calvin Lill, and Miss Lois Moriarty. Mr. William Buffet, Miss Grace Carrick, Mrs. Kay Forck, Miss Patricia Fuller, Mr. James Marran, Miss Sara Nelson, and Miss Geraldine Wasylowsky are new on the social studies staff. Language teachers Mrs. Dorothy Gwynn, Latin; Mr. James Labadie, French; Dr. Henry Manahan, Latin; and Mr. Walter Zukowski, Spanish, were newcomers on the faculty in the fall of 1956.

Miss Vivian Frazier joined the Girls' Physical Education Department, and Miss Helen Voelz returned to the staff after a leave of absence. Mrs. Doris Berkemeir is a girl's gym office assistant. The Boys' Physical Education Department was also increased in size with the addition of Mr. Frederick Barney to head the reorganized intramural program, and Mr. Cornelius Hartbarger. Mr. William Chapman is a new music teacher and Mrs. Margaret Wilkening is the new secretary in the Music Department. The driver education staff was enlarged by the addition of Mr. Melvin Esarey and Mr. Leo Neuman.

Several departments acquired only one new teacher: business, Mr. Hugh Brown; drama, Mr. Roland Rude; art, Miss Estelle Obara; home economics, Miss Jane Purdum; science, Mrs. Sarah Ward. Mr. H. Frank Brull is new on the adjustment counseling staff. Mrs. Carol Gill joined the drama faculty as director of the new auditorium.

Recent members of the office staff are Mrs. Ann Jordan, Miss Sandra Nivling, Mrs. Elizabeth Doscher, Miss Patricia Niggemeyer, Mrs. Frieda Steffens, and Mrs. Mignon Esarey.

Those faculty members leaving New Trier were Mrs. Faust, Mrs.

Beattie, Miss Bryan, Mrs. Cochrane, Mrs. Wehr, Mrs. Shearer, Mr. Kyle, Mrs. Salyard, Mrs. Peterson, Mrs. Schreiner, Mrs. Keller, Mrs. Walsh, Mrs. Richardson, and Miss Brant. Mr. Childs retired from the position of Head Emeritus of the Boys' Physical Education Department, and Mrs. Eisler from the Foreign Language Department.

Six teachers took a leave of absence in 1956-1957: Mrs. Barbara Johnson, girls' physical education; Mrs. Joan Korman, Mr. Robert Sweet, and Miss Mary Lou Rude, English; and Mrs. Joanne Frake, office staff.

The Faculty Council of 1956-1957

was comprised of Mr. Robert Malinsky, Mrs. Margaret James, Mr. Roland Wehr, Mrs. Karol Greeson, Mr. Carl Clader, Miss Virginia Donham, Mr. Bailey Shearer, and Mr. Robert Harper. Miss Norma Sleight presided over the Council which represents the faculty in making recommendations to the administration.

1956-1957 was a year marked by the expansion of the administration and faculty as part of the whole picture of a school in the progress of growth. Thanks to them, New Trier was run efficiently and well, maintaining its position as a highly respected educational institution among American high schools.

SOPH ART APPRECIATION STUDENTS TRACE DESIGNS ON INKED MARBLE

Throughout its existence, New Trier has always had an interesting and continually advancing curriculum. It has been known for the wide variety of courses, and this year was particularly noteworthy for New Trier as the school saw a number of changes and advances in the curricular program.

Especially important were the new courses for advanced standing in English and United States history, which were offered for the first time this year in addition to last year's innovation, advanced math. Both of these new courses are conducted on college freshman level and are offered during the senior year. The history class continues work of the junior survey course with extensive reading on social, economic, and political problems. Advanced English concentrates on an acquaintance with the classics—from Plato to "Death of a Salesman"—and work in composition, with classes conducted mainly by discussion techniques.

There were other new courses this year. Calculus and theatre production offered work in more specific areas. Consumer economics and consumer problems united studies in business and home economics.

More emphasis on a solid academic background for all students predominated throughout the school.

Last fall 950 freshmen descended upon New Trier—a group larger by 146 than last year's Freshman Class. This year a major change was made in the accommodation of the new students, all freshmen being put in study halls for freshmen only. These were supervised by upperclassmen to acquaint freshmen with the self-control necessary in regular student-supervised study halls. Second semester all freshmen not recommended for faculty supervision were placed in upperclass student-supervised study halls.

On October 25, parents of New Trier freshmen attended Go-to-School Night with their sons and daughters to discover the rigors—physical as well as mental—to which their hardy children were subjected each day.

Later in the fall, class officers were elected. Along with the steering committee and the adviser chairmen, Miss Blanche Veach and Mr. Robert Ream, the officers planned several no-date freshman dances and promoted other class activities.

Freshmen were active in many fields. They gave sparkling performances in the frosh-soph play, "Mrs. McThing," and several freshmen participated in Lagniappe. Others were talented enough to play in band or orchestra.

If the class of 1960 proves as strong as it is large, it should provide some of the best leadership New Trier has ever had.

In their second year as members of New Trier, the sophomores showed ability in both academic and extra-curricular activity. In October the group elected class officers and each adviser room selected a representative to the class steering committee. With the aid of adviser chairmen Mr. Earl Weingartner and Mrs. Elizabeth Cavanaugh, who was succeeded in the second semester by Miss Virginia Kral, the class planned several parties during the year to promote class unity and spirit.

The first of these activities was the "Frosty Frolic," a class party held on December 5th. The evening began with entertainment highlighted

by a soph boys' can-can line led by the class president, Mike Belknap. Everyone acclaimed the evening as a great success. The second class party, the "White Wabbit Wamble," took place March 23rd and was equally effective in achieving class solidarity.

Every Saturday afternoon in the fall found the soph girls, featuring their class sweatshirts and caps, sitting in the bleachers at football games cheering wildly. The Ponies gave them good reason for all this enthusiasm by turning in an undefeated season. The boys excelled in all sports and gave promise of excellent varsity teams in the coming

two years.

The entire class showed a remarkable amount of talent during the year. Many sophomores participated in Lagniappe, and the soph play, "Mrs. McThing," was an excellent production. The class also advanced its reputation for talent and leadership by actively entering into G.A.A., Girl's Club, Tri-Ship, Student Council, Drama Club, and the various music clubs.

During the year the Sophomore Class earned a deserved reputation as an outstanding group. If it continues to equal its present record during the next two years, it will be one of New Trier's notable classes.

Class of 1958 Looks Forward

The Class of 1958 completed a successful year both academically and socially. Aided by adviser chairmen Mr. Roland Wehr and Miss Francis Bredin, the group contributed much to the school.

Early in the year, all juniors took a battery of guidance tests to help them decide upon colleges and vocations, plus other tests to determine achievement. Another academic requirement was the documented junior theme, written during the sec-

ond semester.

The juniors did not limit themselves to scholastic activities, however. The officers and steering committee planned many social events for the group. The annual no-date junior party, "Snow Ball," held on December 15, was a big success. Student entertainment as well as dancing was a feature of the evening. The girls had their big chance at the turn-about, "Sweetheart Swing," given February 9th. The social event of

the year, however, is the Junior Prom, held this year on June 8th.

This year's juniors were also active in other fields, such as dramatic productions and sports. During the second semester, they began to prepare for leading the main school organizations next year. Council officers were elected in January, and officers of the other large groups later in the spring. With able leaders in all these fields, the class can look forward to an outstanding senior year.

Bottom row: Bliss, Walker, Monroe, McConnell, Granger, Moulding, Mr. Gannaway.

The Class of 1957 was the first Senior Class to enjoy the benefits of the new building. The seniors successfully led an increased student body through a four-year period of transition and expansion.

Perhaps the biggest concern of most seniors was choosing the right college. They were aided by conferences with college representatives. Having chosen their schools, many seniors took College Entrance Examination Board tests. In addition, one-hundred-fifty students competed in the National Merit Scholarship Qualifying Test in the fall. Of these, twenty-six survived to the finals, which was a remarkable achievement. Final New Trier winners were Ann Gale, Andy Hiken, Larry Sloss, and Larry Hecht. One-hundred-fifty-two seniors qualified for the Senior Honor Societies on the basis of their four-year averages.

Under the leadership of the class officers and steering committee, and guided by adviser chairmen Miss Louise Hamilton and Mr. William Gannaway, the Senior Class sponsored the Christmas formals, "Silver Nocturne" and "Fantasy in White." Senior Canteen, headed by Chuck Glasser, further added to the seniors' social calendar by providing a place to dance, watch movies, and be entertained by talented classmates.

The last event undertaken by the Senior Class as a whole was the Senior Banquet, which was held on Wednesday, May 29.

"Council is all very fine and it does a lot of talking, but what does it actually accomplish?" This question is probably the remark most often directed to the Student Council. The reply is far from simple, for the concrete, constructive activities sponsored and administered by Council form a long and complex list.

The task of the Study Hall Department alone was staggering. Eighty study halls per day were entirely student operated. Student supervision of the library, under the Special Activities Department, made notable progress in its second year.

The Honor Department, which administers New Trier's unique honor system, played a vital part in the maintenance of high moral standards at school.

In the lunch hall, student supervision became increasingly difficult. The new serving facilities and additional eating area did much to relieve congestion, but the condition of the lunch hall, as well as other parts of the school, reached such a point as to provoke an united effort to clean up. Directed by the new

Welfare Committee, 99 student leaders took the problem of dirt and disinterest to the adviser rooms. The response of the school both in attitude and action was heartening.

The administrative duties of Council alone are impressive. Action and accomplishment, however, are rooted in idea and discussion, which are neither concrete nor tangible but are nonetheless essential. Ideas are discussed in Council meetings where definite provisions are decided upon. Provisions are carried out by the board members, coordinated by the officers.

The 1956 Council put several important new measures into effect in this way. The system of separate freshman study halls in the first semester is one important change. A second was the inauguration of a uniform method of selecting the committees. The process of returning from a faculty-supervised to a student-supervised study hall was amended so that at the beginning of each new semester any student wishing to transfer and completing the necessary petition could do so.

The achievement of any Student Council which is remembered longest and which most accurately reflects its personality, however, is not the number of bills it passed or the number of milk cartons it picked up but the quality and effectiveness of its moral leadership. In this respect the 1956 Council was outstanding.

GIRLS' CLUB SPONSORS MISS KIXMILLER AND MISS MAY

Girls' Club completed another successful year of charity projects and "friendly" parties. The first event of the year was the freshman-senior girls' party which introduced freshman girls to New Trier. Shortly after, a dinner was given for all girls new to the community. The second dinner of the year was the Friendly Banquet, the culminating event of Friendly Week. In February came the biannual Daughter-Pop Dinner Hop, which provided an evening of dinner, dancing, and entertainment given by daughters and fathers.

Parties and dinners were far from Girls' Club's sole or chief concern. Under the guidance of sponsors Miss Jean KixMiller and Miss Lola May, several successful projects were carried out. The most lucrative was the annual magazine drive, which brought in more than \$23,000 in subscriptions, the profits going to the Girls' Club scholarship fund. At all football games the girls sold food and "cokes" to hungry spectators for the same purpose. The biannual canned-food drive, sponsored jointly by Girls' Club and Tri-Ship, was one of the most successful of all time. The goal had been set at 15,000 cans, but enthusiastic New Trier students brought in 30,000. In March, a new drive—the United Funds Drive—was held by Girls' Club and Tri-Ship, its purpose being to enable everyone to participate in various charities with one single contribution.

Officers and members can look back on Girls' Club's accomplishments this year with justifiable pride.

Boys' Tri-Ship Promotes Many

Citizenship, Sportsmanship, and Fellowship—the three ideals of Tri-Ship—are all areas in which the club has accomplished much this year. Through its various activities, Tri-Ship offered an opportunity for service to the school to many boys. By earning over \$7,000 for scholarships, it also aided boys in going to college.

With a large addition of freshmen, the officers had a big job directing the club. President Tom Singleton co-ordinated the main activi-

ties. Jim White, the vice-president, took over in case of Tom's absence, and also acted as Senior Class chairman. Buck Robinson's duties as secretary entailed the keeping of complete minutes of the board meetings. He also handled the club's correspondence. The treasurer, Tom McNicholas, was in charge of the funds for activities ranging from Tri-Ship dances to Lagniappe, and kept records of all transactions.

Not all the work was piled upon the officers, however. Randy Miller

was chairman of the Junior Class, Chuck Sethness of the Sophomore Class, and Bill McGuire of the Freshman Class. Don Monroe headed Service, supervising doorguards and running the Student Employment Service. Dick Strub's Public Relations Committee took care of publicity. Clubroom and Charities chairman Jack Paschen helped direct the canned foods and United Fund drives. Dick Dorgan had charge of ticket sales for Tri-Ship functions and

for program sales at football games.

Other committees were active in special functions. John True's committee planned the dinner for the football banquet and the Mother-Son Banquet. John Hust headed Arrangements Committee, which organized Career Night and Homecoming. He also supervised the information desks. Usher Corps, headed by Tony Etnyre, served at seventy-five functions throughout the year. Chuck Anderson was the head of Traffic Squad.

An important means of fund-raising for Tri-Ship is its dances. The usual date-dances were varied this

year with a turnabout and an experimental program dance. Special no-date freshman Tri-Ships were also held. Bud Mackey headed the Dance Committee.

One of the big fund-raising activities of Tri-Ship was Lagniappe. For the second year in a row, a girl co-directed Lagniappe. The acquisition seems to have been a good one, for the general opinion was that Kay Wonderlic and Dave Eisenberg had produced the best Lagniappe yet.

"It's on the Rocks" was novel in many ways. Most of the music was original. Two choruses were used, each an integral part of the story rather than mere background.

The setting of "It's on the Rocks" was the Dukedom of Laurentz, a famous tourist resort. The plot was concerned with an attempt to balance the budget of the country by dismissing the royal court. After an attempt by the Diet to take its place and ensuing economic disorder, the court was reinstated and prosperity finally reigned.

Much of the success of Tri-Ship this year was due to the aid and encouragement of its sponsors. Mr. Lionel Lightner was the general supervisor. He was aided by Mr. Clark, Mr. James, Mr. Kelley, Mr. Malinsky, Mr. Wellington, and Mr. Rude.

The Girls' Athletic Association had a very successful and memorable year under the leadership of President Ann Lindstrom, Vice-President Joan Karlake, Treasurer Nancy Rinker, and Secretary Cathy Wolf. Working with the board were Miss Suzanne Keating, faculty sponsor, and Miss Margaret Wheeler, faculty chairman of intramurals.

Carole Merrick, head of intramurals, coordinated the sports activities with the help of the class managers. The art work for all G.A.A. bulletin-board displays and decorations was handled by Lee Roderick and her committee. Keeping the active membership lists and planning initiation were the duties of Jean Bradley and her assistant, Linda Harris. Alison Kenney was in charge of publicity for all G.A.A. activities. Jane Glaeser, assisted by Sue Wilhelm, planned the social events. Sue Heitman, who directed G.A.A. projects, supervised the filling of the Christmas stockings sent to the

Initiation of more than 300 girls began early in February with skit group meetings and terminated with the winter award assembly and Initiates Supper, February 21. At the assembly fifty-eight girls received the 300-point awards, twelve the 700-point, five the 1000-point, and one the 1500-point award. The year was climaxed by the spring award assembly and Spring Banquet.

The intramural sports program is organized and administered by the Girls' Physical Education Department with the cooperation of the Girls' Athletic Association.

Soccer was under the student leadership of Nancy Voigt. The usual schedule of practice sessions followed by adviser-room and class-team games was highlighted by a special game in which the G.A.A. board challenged and beat the winner of the freshman tournament, Mrs. Stewart's adviser room.

Hockey was under the direction of student head Louise Hassel. Mrs. Gallie's, Miss Deames's, and Miss Durgin's adviser rooms triumphed, with the Sophomore Class winning the class tournament. The annual "Brawn versus Beauty" game between the senior girls' first team and varsity football team climaxed a very successful season.

Tennis, riding, and swimming were also popular fall activities. The tennis tournament was ably handled by student head Carol Williams. In riding, headed by Marjorie Cox, forty girls participated in the 10-week course held at Northwestern Stables. Recreational swimming proved to be increasingly popular headed by Sally Vinnege.

A complete staff of referees, umpires, time-keepers, and score-keepers began their year-round duties early in the fall. The officials headed by Willa Bern and the timers and scorers under the direction of Val Nash were constantly in requisition throughout the full program of girls' sports activities.

Volleyball was the first team sport in the mid-year season. Adviser room and class tournaments were held under the student direction of Mary Stuebner. Champion adviser rooms were Miss Powell's, Miss Purdum's, Mrs. Stewart's, Mrs. Sutton's, Miss Anderson's, Mrs. Ream's, and Miss Bowser's and the Junior Class emerged victorious.

Swimming offered the popular sponge ball, racing, and fancy diving for a large group of interested girls. Many girls participated in the program, which included badminton, ping-pong, and shuffleboard. This group was under the direction of students headed by Tippy Loos. Tumbling, temporarily discontinued last year because of lack of space, was resumed this year under the direction of Penny Pullman. A sizeable group of girls participated in learning basic skills and more advanced apparatus work. Under the capable student leadership of Bunny Goldsmith, basketball replaced volleyball as the tournament sport. The tournaments were won by Miss Forck's, Miss Moriarty's, Miss Pyle's, Mrs. Raffetto's, Miss Anderson's, and Miss Moeller's adviser rooms.

The Dance Concert presented on March 23 was the culmination of many months of hard work for the enthusiastic dancers, faculty and student committee members and directors.

A wide variety of activities offered this spring brought many G.A.A. enthusiasts out on the field. Softball was offered with Jane Keith as student head. The adviser room tournament was followed by tryouts for class teams and competition between the four classes. Archery, headed by Dale Cooley, was another popular sport which included games and a tournament. Lacrosse, a comparatively new sport in this area, was under the student leadership of Tippy Loos. The tennis tournaments and instruction brought many girls out on the courts, while the Northwestern Stables again had many New Trier riders. The life-saving course was under the joint leadership of Sally Vinnedge and Becky Feldman.

Under the guidance of Mr. Walter J. Aschenbach, head coach, and his assistants, Mr. H. D. Caton, Mr. E. G. Ellis, and Mr. E. A. Weingartner, the spirited New Trier varsity finished third in one of the toughest Suburban League seasons in history.

The varsity and a group of alumni opened the season before 4000 fans. The larger and more experienced graduates were just able to get past

New Trier's representatives, winning 13-8. A single point was the difference in the first league contest with a Proviso team well on its way to a tie with Evanston for the Suburban League Championship. A fine display of blocking and tackling by New Trier failed to turn the game because of crucial fumbles and penalties. The following week the varsity entered the win column with a solid

35-0 victory over Niles. Then in successive weeks the Indians defeated Oak Park in a game highlighted by Pat Layden's 85-yard punt return, Highland Park in an exciting homecoming clash, and Morton in a particularly rough contest. Trailing by two touchdowns at halftime in the October 27th Evanston game, New Trier staged two successful touchdown marches to earn a tie, but a New Trier punt was blocked late in the final period to set up the Wild-kits' winning touchdown. The final game was an impressive route of Waukegan.

Captain Tom Singleton and Mike Pyle were accorded All-State honors and made the All-Suburban League team with linemen McGowan, Mackey, Morse, and Scott. Other backs were Layden, Will, and Dorgan.

The fifty-member sophomore football team, led by Lee Bateman and coached by Mr. C. F. Lauer, took the Suburban League championship, winning all games including the non-league opener against Maine. In the first league contest the sophs gained their second victory by topping the Proviso Pirates, 26-13. The following week a four-touchdown-per-game average was maintained in the Niles game in which Herbert and Merrick turned in spectacular touchdown runs. Oak Park proved a more demanding opponent but the Ponies

downed them in a hard-fought 13-6 battle. Homecoming was celebrated with a 47-7 smashing of Highland Park in which long touchdown runs sparked the New Trier offense. In the Morton game a 46-yard pass from Belknap to Merrick supplied the winning margin. Revenging last year's only defeat, the Ponies out-fought Evanston, 14-0, with skilled defensive work by Bernstein, Dietrich, Mason, and Sleight. On the final Saturday the Waukegan Pups were no match for the team and fell 27-6, closing a perfect season.

With invincible defense, the Junior Varsity went undefeated in eight games. Much credit should go to the coaching of Mr. Peter Frantzen and the leadership of Captain Jerry McLick.

The season opened with a resounding victory over Proviso. New Trier scored 93 points in two games against Glenbrook. The Oak Park and Morton games were somewhat closer, but in each case the Junior Varsity had more than enough power to win. Games against Evanston and Waukegan provided more thrills; however, neither opponent tallied as New Trier had the needed strength to score victories over both.

Constantly emphasizing fundamentals, Coach Robert Malinsky guided a freshman squad of 55 boys to seven straight victories in the "A" division and a two-won, two-lost record in "B" competition. The season opened at Proviso with a 6-0 win for New Trier. In games with Niles, Oak Park, Morton, and Evanston, the freshmen scored 61 points to 0 for the opposition. Highland Park and Waukegan managed to score but neither could give New Trier a real fight. The "B" squad started slowly, dropping their first two games, but, gaining experience through competition, they came on to win the final two contests.

Cross-country track reached its third birthday at New Trier this year and the team celebrated by winning ten of the thirteen dual meets in the varsity and sophomore divisions.

In the computation of scores, the individual winner is awarded 1 point, the runner-up 2 points, and so on. Therefore, the team with the lowest point score in competition is the winner.

Coach Ben Almaguer began working with 45 boys at the beginning of school in preparation for the opening contest with Proviso on September 21st. The Indian harriers came out on the losing end of a 19-46 score for the varsity's first and only

loss of the season. In the following meet with Niles, the record-breaking performance of junior Ned Elliott sparked the varsity to a 22-35 victory. Elliott's time for the two-mile course was a fast 9:39. Elliott and Walt Stewart then led New Trier to a 25-39 victory over Oak Park with first and third place finishers. A victory pattern had been set, for in the following weeks the varsity defeated Highland Park 15-49, Morton 25-36, Evanston 23-36, and in the last contest, Waukegan 16-44. In the Suburban League meet Elliott bested a field of 64 runners by more than 60 yards, Stewart was 13th, Don McLucas 14th, Bob Davenport 18th, Murray Moulding 21st, and Ed Eiseman 26th.

ORTEGEL FROM THE SIDE

TWO POINTS FOR HOLMES

Even though the varsity basketball squad was hit heavily by graduation last June, they still managed to finish with a respectable six-won, ten-lost record this year. Adding further to the stature of the Indians was the fact that six of the ten defeats were decided by eight points or less. Coaches Lauer and Henderson sifted out the top candidates in November and from that time to the end of the season they worked, with some measure of success, to improve the individual and team skills of the squad.

The season opened with a four-point defeat at the hands of a perennially tough La Grange team, but New Trier got into winning ways in the following contest with an impressive 69-52 victory over Riverside. The next week the Indians lost a heartbreaking 61-59 battle to second-place finishers in the Suburban League, Waukegan. Against Evanston, one of the top eight teams in the state, the varsity waged a courageous fight before succumbing 74-60. After a loss to Morton, New Trier celebrated the beginning of

Respectable Win-Loss Record

Christmas vacation by defeating Niles.

During the vacation the team journeyed to the Pontiac tournament where they were defeated by Lawrenceville and Lockport. The next four games were evenly divided with losses to Oak Park and Proviso and one-point and two-point victories over Highland Park and Waukegan—proving that the varsity could win the close ones. Following this were two losses—one a rout at the hands of Evanston and the other a race to the wire with Morton. For the second time in the season, Niles fell victim to the Indians who followed this up with another victory, this time over Oak Park, 76-54. The last two games were defeats by Highland Park and Proviso.

Several members of the team were accorded post-season honors. Captain Etnyre and Ortelgel were selected to the all-league team; Etnyre and Holmes received the Crantz trophy.

Sophomore, Junior

Improvement was the key word for this year's sophomore basketball team under the direction of Coach John Jacobson. Last year, as freshmen the "A" squad won two games while losing nine, but this year they had a .563 record, winning nine and losing seven. Even this is misleading for, since two of the losses were in non-league play, the Ponies' conference record, where the real importance lies, was nine won and five lost. After the opening losses to La

Grange and Riverside, the sophomores won four straight games. Only the Morton contest, which was characterized by ball control, was close all the way. The sophomores won, however, 31-29. The following two games were losses to Oak Park and Highland Park. Later in the season in a re-match with the latter opponent, New Trier more than doubled the Highland Park score. The high point of the season was the victory over Proviso, 76-70.

Although the overall record of the J.V. basketball team was far from spectacular, it is evident that the positive influences of Coach Cory Hartbarger were felt because his charges won three of their last four games to finish the season on a definite upsurge.

After losing the first two games to a very tall Barrington outfit, New Trier showed a flash of class by beating Waukegan, 53-51, Evanston, 53-44, and Niles, 42-24. In the next few games there seemed to be a lid over the New Trier basket as they lost four decidedly. It was at this point that the Junior Varsity unit jelled as they began to produce greater point totals.

The freshman basketball teams did not have an outstanding record this season, but they gained valuable experience under the tutelage of Coach Roy Etnyre. At various times during the season they showed considerable promise; for instance, the Braves lost only one game from December 15th to February 2nd.

The regulars got off to a slow start by losing four of their first five games but after they had beaten Niles, Highland Park, and Proviso, and lost to Evanston, they avenged an early season loss by beating Morton.

The "B" team had a better year than the "A" team, however, ending the season with a 7-5 record.

One defeat in thirty-seven dual meets! That was the record of the combined New Trier swimming teams. Most of the credit for this fine showing must be given to the fine leadership of Coaches Dave Robertson, Art VanAman, and Verne Condon, who guided the teams from early fall. The one defeat, however, was costly as it allowed rival Evanston to win the Suburban League title. A good indication of New Trier's superiority was that the varsity, frosh-soph, and freshman swimming teams averaged in the high fifties and their opponents scraped along in the low twenties. Their single defeat by Evanston was avenged three times later in the season, New Trier finally taking the state title with a margin of 11 points over Evanston.

The victory in the state championships was due to the fine balance of the team. New Trier's only individual champion was Fred Wolf in the 150-yard individual medley; second-place finishers were Brackett in the 200-yard free style, Huyler in the diving, and Wolf in the backstroke. Ball grabbed a third in the 100-yard free style and fourth-place finishers were deTarnowsky in the 50-yard free style and Brackett in the individual medley. Other scorers were co-captains Robinson and Carlson, and Ebrey, Heitman, Slaughter, and Merz. Topping off the meet and the season was the victory of the 200-yard medley relay (Miller, Robinson, Richardson, and Kuppenheimer) and the second-place finish of the free-style relay team.

The combined record of the varsity, sophomore, junior varsity and freshman wrestling teams was 29 victories, 3 losses, and 5 ties. The men most responsible for this fine showing were the coaches, Mr. Hurley and Mr. Wellington, who showed the beginners fundamentals and taught the finer points to the more experienced grapplers.

The varsity's part in the record above was 11-1-2. Included in this were victories over several perennial

powerhouses; Glenbrook, for example, was beaten by a score of 24-17. Another fine team, Reavis, fell before the New Trier attack, 33-11. Later, the squads of Tilden, Thornton (last year's state champions), and Waukegan fell by scores of 30-11, 22-17, respectively. In all, the varsity's dual-meet record gained them the league's runner-up position, second only to the one team that defeated them, Proviso.

New Trier finished fourth in the

Christmas tourney behind Proviso, Waukegan, and Evanston. In a quadrangular meet with Oak Lawn, Arlington Heights, and Tilden Tech, the varsity grapplers scored 99 points to take first place. The sectional tournament, in which New Trier finished second, saw Captain Will, Pyle, Trees, and Mason qualify for the finals at Champaign. The results of this were state titles for Will, 175 lbs., and Pyle, HW, and a fifth-place finish for the team.

EGGERT UP AND OVER

JENKINS AND ROGERS MOVE UP

The varsity indoor track team had a good year, winning the Suburban League indoor meet, taking seconds at only three meets, and coming in third at the Oak Park relays. The excellent coaching of Head Coach John Nay, assisted by Mr. McFadzean, Mr. Frantzen, and Mr. Alma-guer, contributed much to the team's fine performance.

Individual team members demonstrated outstanding ability as they met or surpassed old records. Captain Murray Moulding set a new fieldhouse record when he ran one lap in 17.7¼ seconds, and Zach Ford, twice running the 50-yard dash in 5.5 seconds, tied the League record for this event.

The varsity lost the opening meet of the season to Maine and later came in second to Oak Park in a triangular affair. These defeats were followed by one-sided dual-meet victories over Proviso, Morton, and Evanston. Then in the Evanston Relays New Trier came in second only to Bloom, last year's state champs, all League rivals finishing lower in the scale. At the Oak Park Relays, New Trier finished third to Bloom and Phillips but again ahead of all other League teams.

As a result of continued improvement throughout the indoor season, New Trier's tracksters optimistically began to look forward to the possible chance of taking the state title in outdoor competition.

Under the tutelage of Coaches John Nay, Pete Frantzen, Jim McFadzean, and Ben Almaguer, the outdoor track team proved to be among the finest in the Midwest. The varsity opened competition with two almost identical triangular-meet triumphs, winning 10 of 14 events in the first and scoring an impressive 95 points in the second. At the Mooseheart Relays, they gained five first places to outperform state champion Bloom, which took four. At the district meet, the varsity dominated by qualifying 12 individuals and both relay teams for state competition. At the state meet, New

Trier scored 19 8/15 points to finish in the runner-up spot to Bloom. Outstanding was Mike Pyle, who won the discus and the shot put, in which he set a state record of 58' 3 1/2". Captain Murray Moulding placed second in the 440 and was anchor of the third-place relay. New Trier finished a highly successful season by easily winning the Suburban League title in the varsity division and finishing quite high in sophomore competition.

New Trier's showing in state and league competition left no question that this was one of the best track teams in New Trier history.

Gymnasts Retain State Title

For the second consecutive year, New Trier's varsity gymnastic team won the state championship in the Illinois High School Association meet held at Champaign on March 16. Five men qualified for the finals and, led by Ray Hadley, took the title with a final score of 98—10½ points ahead of their closest rival, Senn High School. Something new was added to the growing competition in

gymnastics when New Trier sponsored the first Northern Illinois Gymnastic Meet on March 2, eleven schools participating. New Trier was first with 110 points, Senn second with 87½, and Proviso third with 75.

This year's gymnastic team, built around the core of four returning let-termen and coached by Mr. Joe Giallombardo, opened the regular season by beating Proviso, 80½-72½. Next

they beat York, 81-72, and the following week lost their only meet of the year in a return match with Proviso, 81½-72½. Leyden played host to New Trier only to suffer an 80-73 defeat. Arlington Heights fell to the state champs, 91-61; then New Trier easily defeated Leyden again, this time by a score of 91½-63½. In the last dual meet of the season New Trier crushed Arlington, 95-63.

Although the varsity tennis team was heavily hit by last June's graduation, they still managed to wage a successful campaign and again finish among the top teams in the state. Under the guidance of Coaches Carl Clader, Carlton Buerger, and William Davis, the dual-meet record was blemished by only two opponents. In the season opener, New Trier lost an extremely close match to Oak Park by a score of 3-2. Three days later they administered a 5-0 licking to neighbor Highland Park. Then

Hinsdale, which was the number one team in the state for the second straight year, gave the New Trier varsity a similar thrashing. Later in the season, they beat the New Trier netmen again, but this time the doubles team of Captain Jim White and Wally Mangel prevented another whitewash by winning 7-5, 6-3. In late April, New Trier improved its Suburban League standing with a 3-2 victory over a fine Evanston team. In later engagements they defeated the other members of the league as

well as non-league opponent Maine.

In the district meet held at Evanston, the host school edged past New Trier by a score of 12-11. However, a New Trier doubles combination of Dick Williams and Steve MacKinnon took first place, thus allowing them to participate in the state title matches at Champaign where, after scoring two points for New Trier, they were eliminated by the runner-up team. Their showing, however, kept alive the reputation of the team as a dangerous contender.

In the middle of March, Coach Lionel Lightner opened practice for this year's varsity baseball season. Under his watchful eye the team worked toward the La Grange opener, in which they proved they were ready by socking the visiting team for 11 runs. In the three other pre-league games, they defeated Austin and North Chicago and lost to a powerful Lane Tech team.

The varsity meant business as it opened the Suburban League season

by scoring seven runs in their shut-out of Highland Park. However, in the next few weeks New Trier went on a disastrous slump—winning only one while losing five and tying two. (Each tie is counted as half a win and half a loss.) The particularly damaging double defeat at the hands of Niles must have jolted the ballhawks back to normal, for they won their next four games—one with Highland Park, two with Morton, and one with Evanston—plus two district

games in which they defeated Niles Notre Dame and Evanston. The two district wins entitled New Trier to compete in the Waukegan sectional tournament, but here they lost to Maine, 3-1.

Although the midseason slump wrecked New Trier's chances for the Suburban League championship, the ensuing winning streak appeared (as Echoes went to press) to have gained them a first-division finish in a highly competitive year.

By finishing their Suburban League schedule with a 5-1 record, the sophomore baseball team tied Morton for the league championship. Starting off the season with a non-league victory over North Chicago, the team supported the no-hit pitching of Zimmerman and McNeill with nine runs. Hitting and scoring continued high throughout the season, all players on the starting team batting well over the .300 mark. Coach Larry Irwin's charges began league competition with a hard-fought victory over Oak Park and followed that with a 12-3 drubbing of Evanston. After losing to Proviso, the sophomores began their uphill climb to a tie for league supremacy by defeating all remaining competitors.

With most of the season completed by Echoes press time, the New Trier golf team had only one really great disappointment on its record—failure to send a player downstate. In the district meet at Highland Park, Glenbrook and New Trier were tied with 327 apiece at the end of the regulation 18 holes. Then the fatal playoff was launched and Glenbrook picked up five strategic strokes to win. Other than this, however, the varsity had an excellent season, losing to only one opponent while defeating eight in at least one match. Coach Ray Fearheiley's squad opened the season with two successive routs over Hinsdale and then extended their streak to three in a row by defeating Waukegan 10½ to 4½. The next three matches were evenly divided: a tie with Glenbrook, a 10½ to 4½ victory over Niles, and a loss to Joliet Catholic on the winner's course. Following this, the golfers convincingly defeated Morton, Maine, and Oak Park, and after another tie with Glenbrook and a victory over Highland Park, they went on to win the Suburban League Championship in the playoffs at Evanston on Friday, May 24, the climax of a successful season.

This year a refreshingly new intramural program was inaugurated, and it met with remarkable success judging from the number of participants. The guiding force behind this new system was Mr. Don Barney, who was added to the physical education staff this year for the express purpose of directing the intramurals. Faculty assistance came from Mr. Showley, Mr. Cramlet, and Mr. Hartbarger. One of the innovations this year was the formation of a student-controlled board of directors. The head manager was Mike Sharpe, whose job was to co-ordinate the activities of the board and the various programs; Bruce Shinbach was administrative head, Webb Ball was in charge of statistics, Rich Streeter was the head official, and Mike Wallace was in charge of publicity.

Additions to the rule book were designed to increase participation on individual and adviser-group levels. The style of competition was changed from double elimination to round-robin, thus allowing the poorer teams to compete more often; and the rules dealing with forfeit were noticeably tightened—individuals and teams faced penalties ranging from elimination from further competition in a sport to being barred from all intramural sports for the year.

Several new sports were added to the list during the year. The junior adviser room of Mr. Boyle took the school championship in table tennis

and the individual winner was Alan Levine. The class champs in track were Irwin (senior), Boyle (junior), Catton (sophomore), and Van Aman (freshman). The free-throw event was won by sophomore Heitman with an incredible score of forty-five out of fifty, and in the school wrestling tournament, the title winners were MacLean, Bogart, Fleming, McDaniel, Bell, Horton, Bartell, McGowan, and Dorgan. Horseshoes and swimming were added later in the season.

In addition to these, all the traditional tournaments were run off this year. In football Mr. Irwin's team won the senior and school championships by defeating Hoyt's junior winners, Pink's sophomore leaders, and Robertson's freshman finalists. In basketball Condon's juniors beat Swain's seniors to win the school title. Pink's sophomores and Van Aman's freshmen were tops in their class. Fall tennis winners were Spero, Gorham, and Avery. The Franklin Merrit tennis tournament, volleyball, badminton, softball, and golf were run off as usual later in the season.

As a result of all competition, adviser-room points were compiled on the basis of seriousness of competition and degree of success. The senior lead, with most competition completed or in progress, belonged to Swain, followed by Henderson and Irwin.

Echoes Presents '57 Story of

Ninety-five percent of the students at New Trier each year purchase an Echoes. Perhaps the chief reason for this popularity is that Echoes is a yearbook by the students and for the students. Its primary purposes are to present the story of the year, to provide recognition of service to the school, to include in its pages somewhere a picture of every boy and girl attending New Trier, and to be a book of beauty and distinction wor-

thy of the school's best traditions and outstanding reputation.

Preparation and publication of a yearbook with the variety and coverage of Echoes is a major undertaking. It is a product of imagination, careful organization, and hours and hours of just plain work and attention to detail.

The staff of the 1957 Echoes feel as proud of the end product as of the work which went into it. The execu-

tion of the design on the cover and the division pages of the book are the result of the efforts of Jeanne Edmonds and her assistants, Becky Brown and Janet Hartke. Lee Gould as managing editor was responsible for scheduling pictures, conducting the sales campaign, and managing final distribution to subscribers. Sonja Grung and her staff—Terrie Thiele, Louise Hassel, and Sharon Wilson—typed the copy and checked the

thousands upon thousands of I.D.'s which are so important to the accuracy of the book.

Write-up was handled by Linda Vance, Alice Rosenthal, Barbara Gibson, and Marion Welch. Len Adams did a superior job with the sports stories. Alice Rosenthal as associate editor and her assistant, Valerie Rammon, did a masterful job of checking progress and handling infinite detail, particularly in the senior section. Joe Lundy, Dick Donat, and Harry Meislahn assisted with write-ups and picture-taking and also handled the cropping of prints and the ordering of engravings.

Under the guidance of the sponsor, Mr. R. E. Wilson, and the direction of the editor, John McCausland, the combined efforts of the staff made Echoes the book that it is — informative, entertaining, and a source of pride today, useful and still a source of pride in years to come.

New Trier News Prints Timely

Maintaining its high standards of the past, the New Trier News received an All-American award from the National Scholastic Press Association for the third consecutive year. Under the capable sponsorship and guidance of Mr. R. R. Boyle, the News lent its support to school projects, reflected student opinion in letters to the editor, stimulated thinking by means of editorials, and, of course, presented news.

Editor-in-chief Joel Henning coordinated the efforts of the various associate editors and interpreted the news in his weekly editorials. As campus editor, Ann McLaughlin was in charge of the news pages and was assisted by Judy Wright. During the second semester, Jayne Salzman, in her new office of executive business manager, added the News's financial problems to her editorial duties. Co-Feature Editors Judi Glaser and Kay Wonderlic had charge of the editorial page. They provided entertaining material, including interesting sidelights of school life. The frequent cartoons appearing on the page were created by the art editor, Mike Siporin. As managing editor, Dean Howard planned and supervised the pictures, while co-Copy Editors Lynda Levin and Mickey Clifford corrected copy and assisted in rewriting stories. Shell Morse was new to journalism when he assumed his position of sports editor in September, but his knowledge of sports enabled him to put together interesting and forceful pages.

NEWS PHOTOGRAPHERS MYERS AND SPROWL

JIM REEVES DEVELOPS NEGATIVES

Organized three years ago to provide an efficient means of supplying pictures to the News, Echoes and other publications, the photography service consists of those boys taking advanced photography courses. During each year thousands of pictures are taken, developed, proofed, and printed by members of the staff.

Kim Brooker was chief photographer for Echoes this year. He was assisted in the taking of pictures by Don Millman, Dave Mitchell, and Larry Myers. Myers was responsible for many of the clubs, Mitchell for the adviser-group pictures. As assistant Echoes photographer, Don Millman, together with Brooker, took most of the other groups. Both boys spent many hours, including evenings and weekends, in their work for Echoes.

Behind the scenes, but important for good pictures, is the work of developing negatives. Jim Reeves took care of this job with unusual efficiency and skill, assisted by John Riley. Reeves also proved talented at printing pictures; he, Don Millman, Mike Saper, Dave Delander, and Larry Myers formed the printing staff. Chuck Sprowl and Larry Myers were the News photographers.

After spring vacation the staff moved to the well-equipped new darkroom in the basement of the main building, a change long anticipated by the boys and sponsor Mr. D. Smith.

Playback Records the Sounds

The Echoes record, Playback, has become a New Trier institution since its first issue four years ago. Traditions and policies have been set which will carry on in future years. Now that the form of Playback has been established, the attention of future staffs can be concentrated on the content of the record. Up until now, most of the major changes have been in size—which has grown from a seven-inch 45 r.p.m. disc to a ten-inch 33 r.p.m. disc—organization, and technical points. The present title, Playback, was originated last year.

The goal of Playback, in the words of this year's editor, Dick Wirtz, is "to present a picture-in-sound of New Trier which will retain its value through the years to come." The 1957 staff has initiated some new techniques in striving for this goal. For variety they have used devices such as contrast and unusual points of view; for example, a combination of excerpts from various speeches is used instead of one long speech for Student Council; in place of a loud-speaker voice describing a football game, one hears the sound of cleats on the track.

Sound is often more effective than the printed page in catching moods. Playback presents those activities in which New Trier is original and unique and which are more effectively reproduced by sound than by sight. Examples of such activities are backstage sounds from Lagniappe and, of course, music from Lagniappe, the opera, and various concerts.

Under the guidance and supervision of Playback's sponsors, Mrs. Marjorie Bullen and Mr. David McKendall, was a hard-working staff of students. Dick Wirtz, as editor, co-ordinated the work of the board. Pete Fazio was technical director. His main job was to supervise the recording of sounds. As script head, Betty Venrick was in charge of the narration of the record; David VanHecke was the narrator. Marcia Quale, publicity head, supervised the publicity drive in the weeks before subscriptions were sold. Paul Levin was Playback's business manager.

MR. SAYLOR LEHMAN LEADS INKLINGS WORKSHOP DISCUSSION

EDITOR LOUISE KLEMPERER CONDUCTS STAFF MEETING

The 1957 Inklings, preserving traditions of previous years and striving for a more diverse collection of material, was a considerably enlarged publication this year. Louise Klemperer served as editor for the second year, contributing her skills and interest in creative writing to produce a unique literary magazine. Inklings has always attempted to avoid the trite and "cute" type of writing which fills so many literary magazines on the secondary-school level.

Serving as the new sponsor of Inklings this year was Mr. Nelson Saylor Lehman. Mr. Lehman had been sponsor many years ago, and has always been interested in the expression of original thought. In an attempt to improve the quality and quantity of material and to interest more students in creative writing, Mr. Lehman and the Inklings staff held creative writing "workshops" two afternoons a week. In these informal sessions, student writers gathered to discuss writing of their own and of recognized authors.

In recent years Inklings has made use of its art to unify the poems, short stories, and essays on its pages. Again in its 1957 issue, an original modern art motif was used.

Serving as the outlet for creative writing at New Trier, Inklings continued to grow in stature.

Extending their curricular interests, students of foreign languages published the annual magazines which provide both entertainment and writing experience for members of the various language classes as well as editing experience for the more advanced students of language. Assignments for the publications, given in most classes, offered students an opportunity for creative use of their achievement in language skills. With the exception of the Spanish classes, whose *El Pregunton* was temporarily discontinued this year, there was a magazine in each of the foreign tongues taught at New Trier.

Le Flambeau, the French magazine, was again sponsored by Mrs. M. L. Morris, who helped John Schulz and his assistant editors in preparation and selection of the material. This year *Le Flambeau* aimed at including more material from beginning and intermediate classes in addition to stories, poems, and puzzles from the advanced students.

Miss E. W. Patterson this year took over sponsorship of the Latin publication, *Praeco*. Now an established magazine, *Praeco* includes English material relevant to the classics as well as Latin stories and puzzles. Mac Burnham edited *Praeco*, and Linda

Heflebower did the art work.

Schreiberei, the German magazine, drew its material from required assignments in each of the German classes. Editor Roberta Bliss and her staff, working under the guidance of sponsors Mr. George Jensen and Mr. Phillip McDowell, selected all usable material and corrected and arranged it for publication. Bill Becker headed the art staff, selecting the cover and doing page drawings to accompany the magazine's stories and puzzles.

Work on all magazines, from basic page planning and material selecting to typing and binding, was done by students.

Extensive Offerings in Music

CHRISTMAS CONCERTS DELIGHT THOUSANDS

Beginning his third year as head of the Music Department, Dr. William J. Peterman announced some changes in the curriculum. The new system is to provide a "place for everyone." Seven music groups became elective, including the newly organized frosh, soph, and junior choruses. Fourteen other groups continued to take members only upon satisfactory audition. This change in system made it possible for more students to participate in music training.

The ensembles welcomed thirty new members this fall and enjoyed a

very successful season. They sang for many groups in the area, especially during the holiday season. More students were able to enter into choir work because of the addition of a new choir under the direction of Mr. William R. Chapman. Mrs. Margaret Wilkening, who replaced Mrs. Cochran this year, was their accompanist. Choir A performed at the Illinois Education Association Banquet, December 28, at the Sherman Hotel. Both choirs presented a concert with the band on March 1st at Skokie School.

The junior music groups were aug-

mented by the new Junior Boys' Ensemble under the direction of Mr. Chapman, and the Intermediate Boys' Ensemble under the direction of Dr. Peterman. They made their debut at a concert on November 28th at Skokie School. The Musettes, the Choraliars, and the Cadet Band also participated. The Concert Band did an outstanding job marching at football games and playing at many concerts. The Symphony Orchestra, too, was particularly fine.

On December 16th at the Leslie Gates Gymnasium, the combined

groups heralded the approach of Christmas with the annual Christmas Concerts. "The Night Before Christmas," read in the afternoon by Mr. Roland Rude and sung in the evening by the chorus, was very well received. The Spring Festivals, held in May, were equally successful. A record number of students participated on both occasions, making these concerts the largest group performances ever presented.

On March 20th the Senior Music Club conducted a jazz concert which featured several jazz combos and some unusually fine solos by members

For the second year, an opera workshop was conducted during the first week-end in November at Joseph Sears. "Kittiwake Island" was the story of the search for that rare bird, the smew. The opera was performed by a dual cast with the senior chorus on the stage and the junior chorus in the pit.

Continuing with his presentation of contemporary musicals, Dr. Peterman directed the great Rodgers and Hammerstein show, "Carousel," as the spring opera. The opera was held April 24th through 27th at Central School. Because of the opera group's large size, "Carousel" was performed by a dual chorus as well as a dual cast. Tryouts for leads were held right after Lagniappe. Mimi Romane and Mary Kay Riley were assigned the part of Julie, Karen Roewade and Mary Goodall that of Carrie, and Fritzie Blumberg and Sue Penfield that of Nettie Fowler. The male leads were Tom Embree and Dave Sinclair as Billy, Mac Burnham and John Rommel as Mr. Snow, and John Baker and Joe Culberg as Jigger. The singers were assisted by the advanced dance group and the orchestra and crews. "Carousel" must be ranked as one of New Trier's outstanding musical productions.

MRS. KIDD CONDUCTS DEMONSTRATION FOR FAR-EASTERN HISTORY CLASS

MUSICALE CLUB GIVES CHRISTMAS PARTY

Musicology Helps Learning

The division of musicology, under the direction of Mrs. Elizabeth Kidd, had an active year despite difficulties caused by restricted space attendant upon New Trier's "growing pains." Mrs. Kidd continued to give many lectures to various language classes, which had the opportunity to sing and learn songs of foreign countries. In addition, lectures on music of certain historical periods of various countries gave history students a better understanding of the culture they were studying.

In these lectures, instruments of the various countries were shown and used. New Trier is fortunate in having an excellent collection of musical instruments from all periods and countries. Especially interesting are the collections of African, Chinese, and Greek instruments. These collections were used by Mrs. Kidd not only for the school but for musicology lectures or exhibitions outside the school.

Although the Musicale Club usually arranges a concert series at the high school for New Trier students, no school-wide concerts could be held this year because of the building program; in the past the club has brought to New Trier such groups as the Boston Pops Orchestra, the Minneapolis Symphony, and the Don Cossacks Chorus.

Later in the year a recorder quartet was organized which participated in various demonstrations of Elizabethan music.

This year the members of Dramatic Club provided and enjoyed some wonderful entertainment. Under the leadership of President Joel Henning, Vice-President Melinda Murphy, Secretary Judy Forgan, and Treasurer Lynn Raynor, the club completed a most successful year.

The first play of the season, "Joan of Lorraine" by Maxwell Anderson, received high praise. This moving play was directed by Mr. Rude, with Peggy Krasberg playing the lead role of Joan. In this play, as well as throughout the season, the crews worked efficiently to make every aspect of the production enjoyable. Under the technical direction of Mrs. Gill, Miss Rhodes' costume crew, the make-up crew headed by Miss Gahagan, and the props crew supervised by Miss Kral, all worked well behind the scenes. Also contributing to the technical work were the stage crew and Mr. Jones' light crew.

Dramatic Club's second production was the winter one-acts which were presented December 7th. Two of the plays were "Dust of the Road" by Ken Goodman, directed by Mr. Miner Coburn, and "The Apollo of Belloc" by Jean Giradoux, which was directed by Miss Gahagan. The third one-act was an experimental play by Mr. Robert Pink, called "Facets." This play combined short story, play,

dance, and narration, and also emphasized lighting. The three plays made up an evening of varied and interesting entertainment.

Then came February and the froshoph play, "Mrs. McThing." This comic Broadway hit, directed by Miss Kral, was a challenging play. However, the leads Jim Davis and Cindy Hermann, along with the rest of the cast, met the challenge with great success.

The spring one-acts, presented in April, were "Lord Byron's Love Letter," "The Hitch-hiker," and Anton Chekov's hilarious "Marriage Proposal." Enthusiastic casts provided an evening of diversified dramatic entertainment—the basic purpose of the one-acts.

The season was ended with the senior play, "Sabrina Fair." The play will be well remembered by the entire cast, since it was their last performance at New Trier.

Besides staging these productions, the Dramatic Club also saw several plays in the Studebaker Theatre series. Among them were "Androcles and the Lion" and Eugene O'Neill's "Desire Under the Elms." The club also had a discussion meeting with Miss Geraldine Page, a noted actress.

Coached by Mr. Ralph McGee, debaters again this year had a successful season. Besides taking part in debate meets, many also entered individual events.

Debating the topic "Resolved: that the Federal Government should sustain prices of the major agricultural commodities at not less than 90% of parity," the varsity tied for first place in the Metropolitan Debate Union. Paul Dorfman and Mike Kirk on the affirmative and Corky Brittan and Louis Cohen on the negative won 25 out of 30 debates.

The varsity also did well in other tournaments, taking first place in many invitational events and winning the first place trophy at a tournament at Navy Pier sponsored by the University of Illinois. At the end of January, New Trier participated in a tournament at Augustana College in Rock Island. New Trier ended the season as the top Illinois team, placing third among the thirty-eight schools which participated.

The team also gave demonstration debates for the Rotary Club and the Glencoe Junior High and took part in the University of Chicago Extempore Contest and the Herald American Oratory Contest.

In Illinois State contests for individual competition, Louis Cohen won second place in oratory, and Paul Dorfman won fourth place in extemporaneous speaking.

Planned as a major school organization, Pep Club this year fulfilled expectations as one of the most active and certainly the largest of New Trier's service groups. The membership was a record 530 students. Pep Club's chief function is arousing school spirit and increasing student attendance at athletic events, but it is also responsible for announcing all sporting events in the daily bulletin, for holding training and practice sessions for new cheerleaders, and for taking the initiative in making preparations for Homecoming. The Pep Club board, guided by sponsors Mr. Loris Hoyt and Miss Susan Longworth, brought full accomplishment of these aims.

This year the club prepared a new helpful map-directory for sports events and sold this at near cost.

The club's most familiar service is in cheerleading at football and basketball games. The cheerleaders this season did a particularly able job in leading the scattered cheering sections in the stands. Much of the spirit shown by New Trier's teams can be attributed to the work of the cheerleaders and the Pep Club's special cheering section.

Meeting frequently with their sponsors, the Pep Club board made great progress this year in establishing an efficient and lasting organization.

Is Chief Aim of Many Groups

New Trier has long been noted for its large and comprehensive extra-curricular program. One of the most important parts of this program is the group of clubs and service groups, performing numerous duties and providing expression of many diversified student interests.

"N" Club is one of the largest of the service groups. Composed of boys who have won varsity letters, it aids in school activities such as Freshman-Go-to-School Night. The boys and girls on the New Trier Guard give of their time teaching grade-school students to swim and insuring pool safety at these and other occasions. The Service Club girls assist the school nurses during the year in the health office and on projects such as T.B. tests.

The Visual Aids Staff is a new addition this year. A part of the library, it arranges for the many movies shown in school each day. The Boys' Library Staff is a volunteer group helping in the magazine room and with the record collection. The Public Address Corps arranges for audio equipment at assemblies and dances and also plays records during the lunch periods.

Many of New Trier's clubs are formed around some academic or semi-academic interest. The Geography Club, the four language clubs, and the Engineering-Math Club are some examples. These groups hear speakers, go on field trips, and form groups for social contact as well. The Art League, Lens Club, Garden and Aquarist Clubs, and the Radio Club are groups interested in continuing semi-curricular projects.

Ski Club, another large and popular club, sponsored two trips to Mt. Telemark this year, where members had an opportunity to learn and participate in a growing sport. The Boat Club is another group which centers around sports interest. Other hobby clubs are Stamp and Coin, Hi-Fi, and the Creative Hobby Club.

All of New Trier's clubs are sponsored and coordinated in their activities by Student Council's Council of Clubs. Composed of club presidents, the group stimulates interest in clubs and in combined club activities such as the annual all-school Halloween party.

In Memoriam

MR. HARRY H. HERRON

On December 19, 1956, New Trier suffered a great loss in the death of its assistant principal, Mr. Harry Herron. Mr. Herron's many activities have left an indelible mark on New Trier. Particularly notable were his contributions to the organizing of the PTA and his modernization of New Trier's accounting system. Mr. Herron joined the faculty in 1922 as a teacher of business administration. Afterwards he held positions as freshman boys' adviser chairman, purchasing agent, registrar in charge of school operations, and finally assistant principal.

In a letter about Mr. Herron, former superintendent Matthew P. Gaffney effectively expresses the helpful, thoughtful, conscientious character of Mr. Herron: "Harry's contribution to New Trier was, of course, the important thing. New Trier was the complete center of Harry's life. His day's work was never measured in hours because his work absorbed almost his entire time. He took very few vacations because there always seemed to be some job that he wanted to complete. He was during those years tireless and constant."

As expressed by members of the faculty in a public tribute to Mr. Herron: "His many years of effective service to this school and this community have long been recognized. The New Trier faculty has lost a valued friend and fellow-worker."

MR. ROBERT S. REAM

During spring vacation New Trier lost a dedicated teacher and friend, Mr. Robert S. Ream.

Mr. Ream joined the New Trier faculty in September, 1928, after receiving his B.S. and M.S. degrees from Northwestern University, where he was a member of Phi Beta Kappa.

Mr. Ream assumed varied duties while at New Trier. Besides teaching chemistry, he was a boys' adviser, a frosh-soph basketball coach, and a member of faculty committees. He introduced our adviser system to New Trier and became freshman boys' adviser chairman in September, 1945. As adviser chairman, he was understanding and helpful. He skillfully guided his boys through the difficult transition from grade school to high school. In addition, he visited all the elementary schools each spring to help the students prepare for high school. Mr. Ream himself trained freshman boys' advisers.

As a chemistry teacher, he was unexcelled. Mr. Windoes, retiring head of the science department, is highly qualified to speak of Mr. Ream's merits: "Mr. Ream imparted to his students that the worthwhile things in life are attained only by 'good, hard work.' He had unusual ability in getting many of his gifted students to work up to capacity. Robert Ream's passing adds another name to the list of teachers who are designated as 'irreplaceable.'"

New Trier mourns his death.

ECHOES of 1957 was printed by the Clio Press, Economy Advertising Company, Iowa City, Iowa. Professional photographs (which include most of the individual portraits and large-group pictures) were taken by the Bernie Studio, Evanston, Illinois; those of the concert band and orchestra were taken by the Harvey J. Steffens Studio, Evanston, Illinois. Aerial views of the school were taken by Chicago Aerial Industries, Inc., Chicago, Illinois. Engravings were made by the Jahn and Ollier Engraving Company, Chicago, Illinois; the covers by the Shelby Craftco Company, Chicago, Illinois.

Cover design of the book is an adaptation of *Tableau #1* (1921), a painting by Piet Mondrian. All design, layout, write-ups, and non-professional photography are the work of students at New Trier Township High School, Winnetka, Illinois.
